

pylinkvalidator.WebHandy  
Tool.tests.crawlerTest.setUp

```
graph LR; A["pylinkvalidator.WebHandy  
Tool.tests.crawlerTest.setUp"] --> B["pylinkvalidator.WebHandy  
Tool.tests.start_http  
_server"]
```

A diagram showing a call from the setUp method of the crawlerTest class in the pylinkvalidator.WebHandyTool module to the start\_http\_server method of the pylinkvalidator.WebHandyTool module. The call is represented by a blue arrow pointing from the left box to the right box.

pylinkvalidator.WebHandy  
Tool.tests.start\_http  
\_server
